

JUNIOR SENATOR GETS NOMINATION

McKeller Receives Plurality of 20,000 Over Opponent in Tennessee.

MEMPHIS, Aug. 4.—(By The Associated Press.)—Kenneth D. McKeller of Memphis, junior United States senator from Tennessee, today held a plurality of approximately 20,000 votes over Capt. Gus T. Fitzhugh, also of Memphis, on the face of uncontested returns from fifty of the state's ninety-six counties. Captain Fitzhugh at midnight conceded Mr. McKeller's re-nomination and assured his support in the November election. Neal Cooper of Nashville, who made the race on a blue law platform, ran a poor third.

Returns indicated this vote: McKeller 45,485; Fitzhugh 26,263; Cooper 4,757.

In the contest for the Democratic gubernatorial race, Mr. Peay was leading McMillan by about 4,000 votes. Mr. Peay had a total of 26,124 and McMillan 22,468. Former Senator Sanders was well in the lead in the race for the Republican senatorial nomination. F. J. Garrett, a minority leader in the House of Representatives, and Gordon Browning had apparently won re-nomination in their respective congressional districts in which there were contests. In the other district, the seventh, available returns indicated a majority of the votes polled cast for Lemuel P. Padgett, who died in Washington Wednesday, but whose name was retained on the official ballot.

Under Tennessee primary procedure, the Democratic state committee will call a special primary in the event official returns show a majority cast for Mr. Padgett. In the contested Republican congressional races in East Tennessee, Representatives Taylor and Reece apparently have won re-nomination, with the race in the third district between R. L. Burnett and Vernon Agee close.

EDITOR CERTAIN OF NOMINATION

Kansas Newspaperman Leads Former Governor by 10,500 Votes.

TOPEKA, Kan., Aug. 4.—(By The Associated Press.)—The Republican gubernatorial race today apparently was decided in favor of W. Y. Morgan, Hutchinson newspaperman, and interest turned to the outcome of the contest for the Republican nomination for circuit court justice in which Attorney General Hopkins had a lead of slightly more than 2,000 over Justice Porter, who has been on the bench for fifteen years. Hopkins' support came largely from the farming communities. His decisions, as attorney general, on the industrial court, and his strict enforcement of that law are believed to have caused the labor element in the industrial centers to vote against him.

Morgan was leading his closest opponent, ex-Governor W. R. Stubbs, by about 10,500 votes, according to latest available returns. Returns from the Democratic voting remained comparatively scarce today. With a large part of the state to be heard from, Jonathan Davis of Brownson had 5,824 votes and his closest opponent for the Democratic gubernatorial nomination, Henderson S. Martin of Lawrence, 3,898.
